WHO THIS IS FOR

THE RIGHT FIT MATTERS.

✓ THIS IS FOR YOU IF...

- ✓ You're in a 9–5 job and your income doesn't move regardless of how hard you work
- ✓ You're ambitious, self-motivated, and genuinely willing to put in the work
- ✓ You want to earn based on performance — not a job title or years served
- ✓ You've thought about sales before but haven't known where to start or what the right path looks like
- ✓ You're prepared to invest in your development the way you'd invest in any other qualification

✗ THIS ISN'T FOR YOU IF...

- x You're looking for a get-rich-quick scheme with minimal effort
- x You're not willing to make calls, do outreach, or put yourself in uncomfortable situations
- x You want to watch videos and absorb information without applying it
- x You're not in a financial position to make a meaningful investment in your career right now

FIRST COHORT — BE PART OF THE FOUNDATION

The Sales Foundation is launching its first cohort. There are no testimonials yet — because this cohort will be the ones writing them. If you're the kind of person who wants to be first rather than wait for others to go before you, this is your moment. Founding cohort pricing is locked at £2,500. It will not stay there.

COMMON QUESTIONS

HONEST ANSWERS TO REAL QUESTIONS.

DO I NEED SALES EXPERIENCE TO JOIN?

No. The programme is designed for people moving into high ticket sales from other backgrounds. What you need is ambition, work ethic, and the ability to take feedback and act on it. The skills are taught — not assumed.

CAN I DO THIS WHILE STILL IN MY JOB?

Yes — the programme is designed to work around full-time employment. The live call is weekly, the modules are self-paced, and the outreach activity can be built into your mornings or evenings. Plenty of people start here while still

employed.

WHAT DOES THE PLACEMENT PATHWAY ACTUALLY MEAN?

It means that reps who complete the programme and demonstrate consistent performance throughout are considered for real roles within the Shevlin network. It is performance-based – not guaranteed at enrolment. The programme gives you the skills; the placement recognises when you've proven them.

HOW QUICKLY CAN I EXPECT TO EARN COMMISSION?

The reps who apply what they learn and stay consistent typically reach their first commission within 30–60 days of entering a role. That timeline depends on your activity level, the offer you represent, and how quickly you develop your skills during the programme. We don't make guarantees – we give you the framework to make it happen.

IS £2,500 THE ONLY COST?

Yes. The programme investment covers everything – all modules, all calls, the community, the resource library, and the placement pathway. There are no upsells, no hidden costs, and no extras you need to buy to get the full value.

WHAT IF IT DOESN'T WORK FOR ME?

The programme works for people who do the work. If you attend every call, complete every module, do every task, and still feel the programme didn't deliver what it promised – speak to Ayden directly. We stand behind what

we've built.
